PROFESSIONAL PROFILE

Graphic Designer graduated from Duoc UC, with experience in brand design, digital communications, static and dynamic content, EdTech environments and sports coaching. Hybrid profile combining design, operations and field leadership, able to create visual identity, produce assets for multiple channels and support communities with a practical, organized and results-oriented approach.

VALUE AREAS

Graphic design / Branding / Digital content / EdTech / Social media

Merchandising / Community management / Sports coaching / Field operations

PROFESSIONAL EXPERIENCE

Co-founder, Coach and Design Lead | **La Oficina CF** | March 2026 - Present

- Contributes to the creation, launch and daily operations of the box, supporting student experience and community management.
- Responsible for the full brand creation: visual identity, graphic system, social media assets, promotional materials, internal communications and merchandising design.
- Plans and leads CrossFit and weightlifting group classes, focusing on technique, safety, progression and consistency.
- Experienced in leading and supporting groups of up to 20 students, combining technical correction, motivation and follow-up.

Designer | **TetherEducation - EdTech** | June 2024 - February 2026

- Managed a portfolio of 150 clients for the production of monthly static and dynamic content.
- Designed and adapted visual assets for digital communications, educational materials, presentations, social media and internal content.
- Coordinated with internal teams to organize requests, prioritize deliverables and maintain visual consistency across formats.
- Worked in an educational technology environment, connecting design, user experience, digital learning and continuous improvement.

Weightlifting and CrossFit Coach | **Box Yafun Barbell Club** | March 2023 - February 2026

- Planned and led weightlifting and functional training classes for different experience levels.
- Provided technical coaching for Olympic lifts, progressions and general physical preparation.

ADDITIONAL PROFESSIONAL EXPERIENCE

CrossFit and Weightlifting Coach / Junior Community Manager | **Bisonte CrossFit** | March 2023 - February 2026

- Led group classes and provided technical support in weightlifting, mobility and conditioning.
- Supported content creation, social media management and merchandising development for the box.
- Junior Community Manager from March to June 2023, focused on communication, content and digital presence.

Weightlifting Coach | **Box Black Monkey** | February 2023 - November 2023

- Taught weightlifting technique and supported athletes during training sessions.

OPERATIONS AND CUSTOMER-FACING EXPERIENCE

Operations, customer service, field acquisition and support roles | 2020 - 2022

- Agencia PROA - Field fundraiser / promoter (October 2022 - December 2022).
- Store Central / Rappi Turbo - Shopper and operations support (January 2022 - March 2022).
- Time Jobs - Picker and runner (May 2021 - December 2021).
- Cheese and Beer - Social media administration, order preparation, stock control and delivery support (January 2020 - March 2021).
- Additional experience in customer service, acquisition, operations support and installation: Clinica Alemana, Monticello Gran Casino, Alambra Chile, H&M, Adecco / Productora El Asombro and Empresa Touch.

VALUE SUMMARY

Hybrid profile across design, communications, operations and sports coaching. Brings visual judgement, execution capacity, group leadership and adaptability to dynamic environments, with experience in both sports projects and educational technology settings.
